Defendant.)	

Defendant has moved for a change in residence. Although the government opposes the motion, their objections are not supported, in that the incident described was a considerable length of time ago, and there is no indication whether Ms. Harris was charged or the disposition of any such charges. The United States Pretrial Services officer has not opposed the defendant's change of residence pending his self surrender.

IT THEREFORE HEREBY IS ORDERED: The motion to amend conditions of release, filing 42, is granted.

DATED December 27, 2006
